

The Chair for Macroeconomics and Development at the Department of Economics, University of Goettingen invites applicants for the position:

**PostDoc Health Economics / Development Economics**

The position offers a 2-year contract on a 3/4-time basis beginning April 15th, 2015 or later. Candidates should have a PhD degree (or equivalent), possess a well-developed research agenda in the field of health economics or development economics, and should have a general interest in biology and the life-sciences. Publications in internationally refereed journals are highly desirable. The salary is according to the E13 TV-L scale (annually around 30'000 Euro), additional funds are available for travel and guests. Participation in a DFG-funded research project on health and aging is requested. There are no teaching obligations.

Interested candidates send a cover letter, a curriculum vitae, one research paper, and three names of academic references by March 1, 2015 to [holger.strulik@wiwi.uni-goettingen.de](mailto:holger.strulik@wiwi.uni-goettingen.de)
